

Support our region's young singers by becoming a 2023-2024 Season Advertiser today!

This year, GMYC will present **ten stand-alone concerts** throughout the Monadnock Region featuring singers in grades K-12 from more than 20 towns across New Hampshire and Vermont. Throughout the year, singers also perform for community events, on concert tours both nationally and internationally, and in collaboration with collegiate and professional choirs. Recent awards include the 2018 James Grant Youth Achievement Award, 2018 Trendsetter Award, and 2019 Ruth and James Ewing Arts Awards in Performing Arts.

Grand Monadnock Youth Choirs is the performance based choral music education program for young singers in our community. It is a non-profit 501C3 tax-exempt organization founded in 1997.
