Tuition Assistance

The Grand Monadnock Youth Choirs (GMYC) offers financial aid to choir families who need assistance with tuition payments. We believe that no qualified singer should be denied membership in the choir for financial reasons. Although we do try to accommodate every request, the allotment of scholarship money depends on available funds and the number of requests we receive. **By completing this form, you acknowledge both a need for assistance and an obligation to ensure your child's participation in the choir for the full semester.**
